CIA proposed change to para. 6, p. 4. (Reason, accuracy)

In fifth line, replace word "CEP's" with "probable errors."

CIA proposed footnote to para. 39, p. 26 of draft. (Reason, clarification)

"... control site crews totalling about 3,000 men."*

* These totals refer to specialized personnel directly related to the firing of missiles and do not include generalized support and administrative personnel.

CIA proposed change to para. 5, p. 3 of Post Mortem.

Let the second line of paragraph read, "GMIC and the IAC member agencies submit special reports through GMIC to the IAC . . . "
